

## Provision of short-notice reservation services for daily delivery capacity

This service enables to meet an urgent and ad hoc need for gas consumption in excess of the initially subscribed annual and monthly delivery capacity.

GRTgaz offers its clients connected on the network the possibility to subscribe or have their shipper subscribe to daily delivery capacity to meet ad hoc needs.

### Subscription of daily capacity under the terms of the transmission contract

You may reserve daily delivery and transmission capacity on the regional network on the basis of 7 days' prior notice.

Your application has to be made via the Trans@ctions portal. GRTgaz will reply within 7 calendar days at the latest.

**Transmission contract – Section C of downstream network – Article 4.1**

If you wish to reduce the length of this notice:

### Short-notice reservation service for daily delivery capacity

GRTgaz offer you the possibility of shorter notice, e.g.:

- **2 business days (business D-2 at 9am) with no capacity price supplement**
- **1 calendar day (calendar D-1 at 8pm) with a capacity price supplement**

Your application has to be made via the Trans@ctions portal. As far as possible, GRTgaz will reply before calendar day D-1 at 10pm.

In the event of a negative reply, GRTgaz will inform you on the maximum available capacity for each gas days in your application.

**Specific agreement between the shipper and GRTgaz**

### Tariff

- The Subscription tariff for this service is € 2000/year. The service covers the conduct of a study to ascertain the amount of capacity that can be allocated.
- In the event of a reservation being made with less than 2 business days' notice, the price of the daily capacity subscribed will include a 20% surcharge (on exit main network, transmission regional network and delivery).

### Period of validity of the contract

**1 year (The contract will be terminated if the customer changes shippers during the period of execution of the contract).**

### Contract Implementation

**15 days are needed for the studies and the implementation of the service.**
